Hi Qiao,

I hope everything went well for you this year – I'm writing to see if we can again hire you for the EYSO auditions in August (I know it's far off):

August 12

August 13

EYSO string auditions (same as last year, Saturday Sunday – same schedule 9am-5pm with multiple breaks).

\$750 honorarium

Thank you for letting me know if you are free – I'm trying this far in advance this year! I will hear the winds on stage, separately.

Jessica will be working with you again on the violin panel.

Thank you, and hope to catch up more soon,

Paul
